Distance Learning & Telemedicine Grant Program

The program provides or improves Distance Learning and/or Telemedicine Services in Rural America by funding equipment that allows rural residents to access distance learning or telemedicine services from hub sites located in larger urban or suburban areas

Overcoming the effects of remoteness and low population density.

Distance Learning and Telemedicine (DLT) Program Scoring Categories:

Scoring categories are subject to change year to year so look at the FOA.

There are now 4 scoring categories, 3 objective and one subjective, with a maximum of 110 points.

- Rurality (40 points)
- Economic Need (30 points)
- Special Considerations (10- 20 points)
- Service Need and Benefits (30 points)

Economic Need is recommended to be scored using the US Census Small Area Income and Poverty Estimates (SAIPE) county data.

Distance Learning and Telemedicine (DLT) Program Ineligible Grant Purposes

Select Ineligible Purposes

To pay for medical or educational equipment not having telemedicine or distance learning as its essential function

To pay for Electronic Medical Records

Key Definitions and Limits

Broadband Service means any terrestrial technology having the capacity to provide transmission facilities that enable subscribers of the service to originate and receive high-quality voice, data, graphics, and video at the minimum rate of 10 megabits per second download and 1 megabits per second upload. (10 X 1)

Broadband Grant Speed means the minimum bandwidth of 25 megabits per second download and 3 megabits per second upload that an applicant must propose to deliver to every customer in the PFSA. (25 X 3)

Minimum and Maximum Grant Amounts:

- \$100,000 minimum
- \$5,000,000 maximum

Eligible Applicants

- An Indian Tribe or tribal organization, as defined in 25 U.S.C. 450b(e).
- A state or local unit of government, or
- An incorporated organization,
- A cooperative, private corporation or limited liability company organized on a for-profit or not-for-profit basis.

Individuals and Partnerships are not Eligible.

Applicants must have the legal capacity and authority to apply for funding and enter into a contract with RUS.

Applicants must have the legal capacity to own and operate a broadband delivery system.

Eligible Projects

To be eligible for a Community Connect grant, the Project must:

- Serve a Proposed Funded Service Area (PFSA) in which Broadband Service (10 X 1) does not exist;
- Offer service at the Broadband Grant Speed (25 X 3) to all residents and business customers within the PFSA;
- Offer free service at the Broadband Grant Speed to all Critical Community Facilities (CCF) located within the PFSA for at least 2 years starting from the time service becomes available to each CCF. Critical Community Facilities means the Community Center; any public school, public education center, public library, public medical clinic, public hospital, community college, public university; or law enforcement, fire or ambulance station in the Proposed Funded Service Area.
- Provide a Community Center with at least two Computer Access Points and wireless access at the Broadband Grant Speed, free of all charges to users for at least 2 years and is open and accessible to area residents before, during and after normal working hours and on Saturday and/or Sunday.

Ineligible Grant Purposes

- 1) Funds may not be used to finance the duplication of any existing Broadband Service provided by other entities.
- 2) Operating expenses are ineligible with the exception of lease costs for facilities used to deploy broadband service and bandwidth expenses.

Matching Contribution

- Applicants must provide a Matching Contribution which is at least 15% of the total amount of financial assistance being requested.
- Matching Contributions cannot include any financial assistance from federal sources unless there is a federal statutory exception.
- At the time of closing of the award, the awardee must contribute or demonstrate available cash reserves in an account(s) of the awardee equal to at least 15% of the grant.
- The Matching Contribution must be in the form of cash, to be used to fund operations of the project.

Scoring

Up to 100 points are available. These points are broken into 3 Scoring Components:

- PFSA Challenges (up to 50 points are available)
- Local Participation (up to 40 points are available)
- Management Experience (up to 10 points are available)
