# EVENT HIGHLIGHTS

## ABOUT

The NTTA Tribal Broadband Summit is set to convene tribal telecommunications leaders, advocates, and influential decision-makers from various regions nationwide. Government officials, vendors, and suppliers will also be in attendance.

## TOPICS

During the summit, government speakers will delve into regulatory issues with a strong focus on immersive workshops and practical hands-on training for tribal participants.. Subject matter experts will cover the following key areas:

- Current Federal Grant Opportunities and the Art of Grant Writing
- Conducting Feasibility Studies
- Exploring Different Telecommunications Entity Options
- The A-Z of Designing, Constructing, Installing, and Maintaining a Network
- The Significance of a "Back Office" in Telecommunications

## SPONSORSHIP

**Why consider sponsoring the April 2024 NTTA Tribal Broadband Summit?** By doing so, you actively support NTTA's mission to empower tribes to embrace modern communication technologies. NTTA acts as a staunch advocate for telecommunications service in the representation of its member companies, offering valuable guidance and aid to those dedicated to introducing cutting-edge communication services to tribal territories. Your sponsorship is not merely a contribution to the Summit; it's an investment in NTTA's cause and the advancement of Tribal Broadband. Join hands with NTTA in the journey to extend broadband access to all tribal lands.
